EDUCATION

BSc in Computer Science

Arsi University

Sept 2019 - July 2023

Major GPA - 3.89/4.0

- Operating System
- Full-stack Software development
- Software project management
- Object Oriented Programming
- Data Structures and Algorithms
- Computer Security

EXPERIENCE

Commercial Bank of Ethiopia, Adama District — *Internship*

July 2022 - Sept 2022

- Assisted in the setup and configuration of Local Area Networks (LAN) and Wide Area Networks (WAN) across different bank branches, ensuring seamless connectivity and data exchange.
- Worked collaboratively with a team of IT professionals, fostering a positive and productive working environment.
- Testing and troubleshooting of network components, identifying and resolving connectivity issues promptly.

STEM Center, Adama Science and Technology University

July 2017 - Sept 2019

- In the STEM Center, I engaged in various projects that involved designing, building, and programming robotic systems.
- My involvement with Arduino technology allowed me to explore the realm of electronics and physical computing. I gained proficiency in coding and interfacing with hardware components, which proved to be fundamental in developing functional and creative projects.

SKILLS

- Mobile App Development
- Web App Development
- Cloud Computing
- UI/UX Design
- Software Development Life Cycle (SDLC)
- Networking
- Cybersecurity.

TECH STACK

Dart: Flutter | **C++:** | **JavaScript:** NodeJS, ReactJS, ExpressJS | **C#:** NetCore | **Python:** Django, Flask | Mobile app Dev: Java, Kotlin | **Machine Learning & Deep Learning** | **Front-End:** HTML, CSS, Bootstrap | **Database Management:** Oracle, PostgreSQL, MySQL, MongoDB | **AWS Cloud** | **Docker**

LANGUAGES

Amharic - Native

Afaan Oromoo - Medium

English - Fluent

STEM Synergy Experience: Entrepreneurship, Life Skills, and Financial Management

Mar 2023

- **Entrepreneurship in STEM:**
 - Developed comprehensive business plans by combining innovative ideas with market analysis.
 - Collaborated within diverse teams to transform concepts into viable and sustainable ventures.
- **Life Skills for Success:**
 - Enhanced communication, time management, and problem-solving abilities.
 - Thrived in collaborative environments, adapting to dynamic team dynamics.
- **Financial Management Essentials:**
 - Gained proficiency in financial concepts, budgeting, and investment strategies.
 - Analyzed financial data to make informed decisions and plan for long-term stability.
